Sir:

This paper is filed in response to the Office Action dated November 14, 2003. As this paper is filed on December 11, 2003, the paper is timely filed.

In response to the restriction requirement, applicants elect the subject matter of claims 69-75, without traverse. It is believed that this subject matter corresponds to the species styled by the examiner as "a bracketed and pivotal monitor support," although applicants respectfully submit that none of the claims recite this specific language.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN
